

Renew or Join the Guild 2020 ANNUAL DUES

Dear Guild Member,

Thank you for being part of our 75th year of advancing the cause of social and economic justice in our community through positive labor relations. Our school, workshops, and forums have provided our members with the knowledge and tools to be effective in the field of Labor/Management Relations.

As you know, the spring semester ended early out of an abundance of caution for everyone’s health and safety. However, this summer, we are preparing a series of virtual workshops that will equip our members with the tools and resources to respond to the signs of the times. We are also looking forward to the fall and are hoping to offer online education. For the Guild to continue to be successful, it is necessary to grow our program. Our Executive Board is committed to expanding our school program into more communities and online.

To grow the Guild, we will need your help during these difficult times. Developing online resources and educational opportunities require a great deal of support and planning. We feel this is a step long overdue and necessary for the Guild to thrive for future generations. Fundraising is an integral part of our success, and we hope you will continue to support us. We have always been a people-powered organization that relies on membership contributions. We ask for your support during this transition, and we thank you for joining us as we forge a path forward.

So please, partner with us and help grow “The Labor Guild.” You truly are the cornerstone of our success.

David Kowalski
President and Executive Director
