

GUILD SCHOOL WILL RETURN TO DORCHESTER FOR FALL 2014 TERM

The Labor Guild's School of Labor-Management Relations is heading back to Dorchester once again. Starting Monday, September 15th, our Fall 2014 Term returns to SEIU 1199's Dorchester facility. We saw that combination of a Fall 2013 Term in Dorchester and Spring 2014 Term at our Weymouth Landing location generate a big and enthusiastic response. With a marvelous line-up of brand new and classic courses and our talented faculty, we're anticipating and dynamic labor education experience this Fall.

1199 is located in the Corcoran-Jennison Building, 150 Mount Vernon Street, Dorchester at the Bayside Expo Business Center (next door to the Doubletree Hotel), and offers:

- Easy Access off the Southeast Expressway Exit 15,
- Ample Free Parking directly in front of their building's entrance and
- The Red Line – 1199 is a short block from the JFK/UMass Red Line T Stop.

The Guild is very grateful to our wonderful hosts: 1199's Executive Vice President **Veronica Turner**, their Massachusetts leadership team, and **Frank Borges**, Director of Operations.

For 62 years, Guild School's has helped three generations of students to *Learn. Share. Grow.* We're honored and delighted to help an emerging new generation make its way to a better future.

On June 20th, a 2nd Labor Healthcare Forum on *The Impact of the Affordable Care Act (ACA) on Collective Bargaining and Union Benefits* was held at the IBEW #103/NECA Training Center on 103's Dorchester campus.

Our 1st ACA Labor Forum kicked-off a much-needed conversation between area healthcare negotiators grappling with ACA's still-emerging rollout.

Our 2nd ACA Forum level of discussion was significantly deeper, broader and more nuanced. Two big plenaries and three excellent breakout sessions dug deep on healthcare bargaining issues specific to

EXECUTIVE DIRECTOR'S REPORT Allyson Every, Executive Director

Thanks so much, Fr. Frank!

On June 1st, our wonderful Guild Chaplain, **Fr. Francis Cloherty**, stepped down after three years of service. Frank leaves with our warmest affection and sincere gratitude for all his friendship, guidance, wit and wisdom.

Recruited as the Guild's part-time Chaplain in 2012, Frank had just retired after 20 years as a Brockton pastor and area vicar overseeing 16 parishes. He was an innovative community action, social justice and interfaith activist in the Greater Brockton area and beyond.

"Not a lot of direct Labor experience," Frank warned when he came onboard. Yet, he was soon delivering invocations, actively participating in our School program, counseling Guild members, and out-and-about our labor-management community.

Our loss is the City of Lynn's gain. Frank is now serving two highly-diverse, Lynn parishes (St. Mary's and Sacred Heart), and it's absolutely his kind of city and gig. Everything he's learned about Labor and our Guild community is now part of his toolkit in Lynn. (North Shore Guilders make note.)

Blessings and best wishes, Uncle Oscar! It's been a delight and honor to work with you. Along with **Sr. Mary Priniski** and **Fr. Pat Sullivan**, Frank's now one of our beloved Emeritus Chaplains. The Archdiocese is on the hunt for a new Guild Chaplain for us for the fall.

John A. Hudson Scholarship - Farewell "Professor Hudson"

Our School's Fall term will begin in September without our longtime faculty member John A. Hudson. John passed away in February after several weeks on life support following a massive heart attack. It was a huge shock and great sadness to everyone who knew John. Just 59 years old, he was in the prime of life.

At our May Graduation, the Labor Guild announced the creation of a John Hudson Scholarship in his memory – to be available for financially needy worker applicants for Guild class terms or a day program.

John was a Guild student while an MBTA Construction Inspector, and later joined our board and faculty. He taught a dynamic and very popular leadership development workshop: *Lead, Follow or Get out of the Way*. John brought a joyful showmanship to his teaching that inspired, challenged and influenced hundreds of students.

Farewell "Professor Hudson." Good bye John. You are truly missed.

Contributions to the Hudson Scholarship may be sent to the Labor Guild, 85 Commercial St., Weymouth Landing MA 02188 or office@laborguild.com.
